MAGNIFICA HUMANITAS MAGNIFICENT HUMANITY This is Pope Leo's first Encyclical, one of the highest forms of papal teaching. It is addressed to the Church, and to all men and women of good will. In this encyclical Pope Leo faces, head on, the challenges of Artificial Intelligence. We can use AI to build a world of algorithmic control, digital exploitation, growing inequality and the slow erosion of what makes us human. Or, we can use AI putting technology at the service of Human Dignity, the Common Good and genuine solidarity. While technology is important, we need to be aware how it can manipulate us and fail to respect Human Dignity. Pope Leo invites us to remain profoundly human and to ask hard questions. He asks us to resist the slow drift towards a world where efficiency replaces compassion, where date replaces dignity, and where the logic of profit replaces care and human solidarity. **Fr Christopher**

THE SACRED HEART LADIES GUILD The next meeting of the Guild will be on Tuesday, 6th July at 2.00 pm. Members to meet at the Putting Green Café for tea and a round of putting.
